PRELIMINARY AMENDMENT

Technology Center 2600

Sir:

Prior to an action on the merits of the above-identified application, please amend the application as follows:

In the claims:

Please substitute the following claims 1, 11 and 14 for the like-numbered claims as originally filed. A marked up copy of these claims showing the current changes is attached as an appendix to this amendment.

A/

1. (Amended) A method of encryption of a data file transmitted to a decoder, said method comprising steps of

defining a write order of data blocks of said data file to non-sequential storage locations of a mass memory,

05/07/2002 BALEXAND 00000001 090457 09535063  
01 FC:103 126.00 CR storing said data blocks in said mass memory in accordance with said write order and updating a table corresponding to said non-sequential storage locations,

encrypting the table with a key, forming an encrypted table, and

storing said encrypted table to said mass memory.
